Pursuant to 37 CFR §§1.56 and 1.97(b), Applicants bring to the attention of the Examiner the document listed on the attached Form PTO-1449. This Information Disclosure Statement is being filed within three months of the filing date of the above-referenced application.

The document listed on the attached Form PTO-1449 is an abstract from a webcast presentation at the SAE Digital Car Conference in March of 2002. The presentation was assigned SAE Paper No. DCC-13-2002. Applicants were unable to obtain any further description on the webcast recording of the presentation.

A copy of the listed non-patent literature is attached. Applicants respectfully request that the Examiner consider the listed document and evidence that consideration by making appropriate notations on the attached form.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed document is material or constitutes "prior

art." If it should be determined that the listed document does not constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such document.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed document, should the document be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 16-2463.

Respectfully submitted,

CRAIG J. SIMONDS ET AL.
